Course Outline

Four, 2-hr Modules

- 1 The Implementation Challenge
- 2 The Implementation Compass™
- 3 Assessing your Organization Implementation Capabilities
- 4 Recognize that Most People Don't Resist Implementation! & Application to your Business

Key Takeaways

Leaders require a different mindset and skillset to succeed, especially as organizations are transforming faster than ever before.

A proven framework that highlights the eight areas for excellence in execution.

This assessment is based on the Compass and delivers a radar picture of your organization's readiness to implement.

Discover the four different ways people respond to implementation and apply the key learning from the course into your business.

Follow -Up

Apply learning from each module to your organization

Week 1, 2, 3 and 4
